appointment passing of these tests is all the more necessary for giving promotions. It is not clear whether the officer has passed any tests or as the officer is shortly to be on the verge of Retirement the Corporation proposes to grant him Exemption As he has already been appointed to a Manager Grade the Corporation, it is for Consideration whether the passing of the tests would have to be insisted in his case also In the Secretariat and Dept of Govt promotions are strictly denied if tests are not passed.

Section 89(2) of the Corporation Act reads as follows -

"Any appointment to an office under the Corporation under section 84 or section 85 or under this section the maximum monthly salary of which exceeds two hundred and fifty rupees shall be made only with the previous sanction of the Government."

In this case, the post of the Manager with a graded pay of Rs 150-10-200/20-300 was sanctioned in G O Dated 15-10-1953

Again section 90 of the Corporation Act reads as follows -

(1) The Commissioner, shall, from time to time, lay before the standing committee a schedule setting forth the designations and grades of the officers and servants who should in his opinion constitute the corporation establishment, and embodying his proposals

5311/MI.
Schedule of Establishment of the Corporation
Sanction to the appointment of Sri Desikachar as Manager

with regard to the salaries, fees and allowances payable to them

(2) The standing committee may either approve or amend such schedule as it thinks fit and shall lay it before the corporation with its remarks, if any,

(3) The corporation shall sanction such schedule with or without modifications as it thinks fit and may from time to time amend it at the instance of the and standing committee

Provided that no new office shall be created without the sanction of the Government if the maximum monthly salary exceeds one hundred rupees "

In view of this provision, the Corporation may fix the salary, fee and allowance payable to the Manager of the Corporation Office But Sri Desikachar is drawing Rs 230/- now At the meeting held on 19-11-1953, the Corporation fixed his pay at Rs 200/- in grade Rs 150-10-200 20-300 with effect from 1-4-1950, i.e , he has to get now,

| | | |
|---|---|---|
| From 1-4-1950 | Rs 200/- | ( according to this resolu- |
| " 1-4-1951 | Rs 220/- | ) tion, Rs 260/- as against |
| " 1-4-1952 | Rs 240/- | ( |
| " 1-4-1953 | Rs 260/- | ) Rs 230/- which he is drawing |

in grade Rs 170-10-250

It is needless to say that the Corporation is giving enhanced grades and fixing the officials on a pay which is unknown in the history of non-gazetted service in Government Departments This section of the Corporation Act is being amended and an Amendment Bill is proposed to be brought in the next sessions of the Assembly Till the section is amended, Government will have no powers to cancel a resolution which is in accordance with the Corporation Act Therefore, the only course open is to approve the resolution of the Corporation Council and fix the pay of Sri Desikachar on Rs 200/- per mensem in grade Rs 150-10-200-20-300 from 1-4-1950

Subject - schedule of establishment and allocation of pay of the officers and officials of the Corporation

I write to state that the Corporation at their meeting held on the 8th May 1950 while approving the first establishment schedule merging the two establishments of the City and Civil Station Municipalities, fixed the grade pay of the Manager of the Commissioner's Office at Rs 150-10-200-20-300. In this scale of pay, Sri T S Desikachari, B A., who was the Head Clerk of the erstwhile Municipality on a salary of Rs.150/- per mensem, was allocated by my predecessor on the higher stage of pay at Rs.200/- in the said new grade with effect from 1st April 1950 having regard to the seniority, the onerous responsibilities thrust on him consequent on the merging of the two establishments and also the few years of service he has in reserve This allocation was approved by the Corporation at their meeting held on 30th December 1950. When the entire establishment schedule and the allocation statement were sent to Government, they among other modifications, fixed the scale of pay of the Manager at Rs 170-10-250 and directed the Corporation to submit the allocation statement on the sanctioned schedule. Accordingly on the recommendation of the Corporation, the Government in their order No.L.12196-12203/C.M.1-52-41, dated the 31st October 1952, while approving the allocation statement, approved the fixation of the pay of Sri Desikachari on Rs.200/- in the grade of Rs.170-10-250 from 1st April 1950. He is now drawing Rs.230/- in the same grade But the Corporation pursued again and twice reiterated their original stand in fixing

P.T.O

the grade of the Manager as per their original resolution Finally the Government in their order No L.3131-6/C.M.5-53-12, dated 16th October 1953 sanctioned the previous resolution of the Corporation dated 2-5-1950 By virtue of this order and the previous order of the Government fixing his salary at Rs.200/- from 1st April 1950, Sri Desikachari, who is continuing as Manager till now, may enter the revised grade and obtain the difference in the emoluments. But as the Auditor of the Corporation insists on the sanction of the competent authority under Section 89 (2) of the Corporation Act, the matter was placed before the Corporation. At their meeting held on the 19th November 1953, they fixed his pay on Rs.200/- in the grade of Rs 150-10-200-20-300 with effect from 1st April 1950 as originally resolved - vide copy of the resolution enclosed Sri Desikachari is a graduate possessing a thorough knowledge of Municipal work and he is one of the few efficient officials in the Corporation He is on the verge of retirement.

In the circumstances, I request that the Government may be pleased to approve the resolution of the Corporation fixing him in the revised grade from 1st April 1950.

Yours faithfully,

Forwarded with compliments.
